

## I AM

I found myself on a treacherous road,  
The more treacherous the road became  
The more of me I found.

The people I love leave me lonely  
Maybe because I'm a Scorpio.  
The world is nothing without anyone  
Especially the ones that I lived for.

I'm serious, stubborn, but like a child, I'll play.  
I'm sensuous, loving, yet cool and shy.  
I'm full of imagination, I can put on a show  
I love me as I am, I'm a Scorpio!  
I'm thankful for the adventures  
You all put me through.  
I am the person I am, because I found me.
