

Thanksgiving Contest Essay

One of the qualities for which I am thankful is being able to care for others in need. One example of this is when I help family and friends. Another thing that I am thankful for is to be able to make people laugh. The reason why that is a good quality is because if people might have a bad day, making them laugh could make their day better. Those are my best qualities because I enjoy helping others. I have many more qualities that I'm thankful for having.

Another quality that I am thankful for is being a helpful person in school because I try to help as much as I can. Yet another quality is that I am an open minded person because I try to consider new things in life. A quality that I'm thankful for is that I have a positive outlook on things, because if you think negative things are going to happen, they are going to happen. That is why I have a positive outlook on things.

Those are some qualities that I'm very thankful for. Without those qualities, I would not be the person that I am today. That is why I make sure I'm also thankful for my qualities.
