

Thanksgiving Poem

Thanksgiving is a holiday for thankfulness
 Happiness is how I feel with my family
 Amazing food on Thanksgiving dinner
 Now a lot of people celebrate Thanksgiving
 Kindness is one thing to be thankful for
 Fabulous decor and pillows
 United with family is always amazing
 Lovely turkey in the middle of the table

Family is what I'm thankful for this year
 Accompanying you the whole day and forever
 Marvelous day everyday with my family
 I love my family, their always there for me
 Love is everywhere in my household
 Yes my family fights but we still have love
