

What Qualities Do You Have That You Are Thankful For?

By Khloe Jimerson-Neal

I am thankful for being funny, grateful, and calm. My friends say that I am very funny. I like to make jokes. I am thankful for being calm because if I am calmer, then I will not be annoying. My family says that I am very calm. I am thankful for being grateful because when you are grateful, you'll be more appreciative. It is helpful to your parents, especially when they just get home from work. In conclusion, I am thankful for being funny, grateful, and calm.
