

## Thanksgiving Poem By Kyle Xu

I am grateful for all my personalities.  
I am grateful that I am kind,  
All of my friends appreciate everything I do.  
I am grateful I am polite,  
I don't curse and I am very nice to everyone I see.  
I am grateful that I am smart,  
I get 4s, good grades, and good comments about me from my teachers.  
I am grateful for who I am and everything I do,  
I am thankful for how I act and how unique I am.

*Thanks!*
