

# Thanksgiving Thankful

~by Lily Mollaghan~

Be thankful for Thanksgiving -it's the best time to be happy.  
Having a great time is a great way to start the day.  
Eating at the table with family and friends.  
We all can be Thanksgiving Thankful.

There are many ways to be Thanksgiving Thankful.  
Some ways are to be respectful, kind, caring.  
Also, the most important one is to love others.  
These are ways to be Thanksgiving Thankful.

Also,there are many traits to be thankful for this Thanksgiving.  
Some traits are compassion, gratitude, and to be positive.  
Being thankful is the most important.  
These were traits to be thankful for Thanksgiving.

I always try my best to do all of these for this year's Thanksgiving and many more.  
Every year is great, the world is plenty and Thanksgiving is a great time.  
And to celebrate and be thankful for the life we have.  
But most of all, FAMILY is the best thing I have this year.
