

I am THANKFUL  
~ by Mary Shaw ~

I'm caring for my mother,  
And even my brother.  
My sister too,  
I take care of her when she has the flu.

I'm a trustworthy person.  
Even when our friendship worsens  
I keep secrets all the time..  
Even if you have committed a crime

I am very energetic.  
But I am not really athletic.  
I'll always be wide awake,  
Even when everyone else needs a break.

I am always told I'm not kind  
But those people are just blind.  
I always try to find  
The kindest parts in my mind.

This is what I'm thankful for  
Even though there are more  
Good luck to all the forgiving  
Have a Happy Thanksgiving.
