

Thankful and Blessed

~ by Timothy Nichtern

I'm thankful for the food,
I'm thankful for the water.
I'm thankful for the my friends and family
And the house I live in.
I'm thankful for the clothes I have.
The sun I feel and see,
And always, for the military
Who serves and protects me.

I'm blessed to live in Rockaway Beach,
Where the ocean is always in reach,
I'm blessed for the good food I eat,
Also the good shoes on my feet,
I'm blessed to live in the USA,
I'm blessed by God in so many ways,
And I'm thankful every day

I am blessed of having the quality of love,
My mom says I love like a dove,
Man, I loved my Grandma up above,
I mostly love my great big family,
