

What Qualities Do You Have That You Are Thankful For?

By Nova Clark

I am thankful for being helpful, brave, trustworthy, and curious. All these qualities are a big part of my life. My friends say I am brave because I am a cheerleader. I do all kinds flips and stunts. It is hard work, but I still do it. My Mom says that I am helpful because I help around the house by doing chores. Sometimes, my chores are a lot because I must do them all by myself. I am helpful to my friends by helping them with their homework. I also help my teacher if she needs help. I am trustworthy because my friends tell me secrets and I do not tell other people. These are the qualities that make me who I am.
