

Oh to be Thankful on Thanksgiving
By - Sunday Rose Liu

Be thankful on Thanksgiving!
It is time to reflect...
In the months that have gone by..
We did it! *correct!!*
Covid is gone *almost*
Even though..
It's time to have a thanksgiving you'll love the most!
No one is sad
Everyones glad!
Especially me!
But oh to be thankful on Thanksgiving
We are all here
It's almost time to end these two more months
With a happy year :)
