

*People can show thankfulness in many different ways. Being thankful is an important personal value of mine. Being thankful is important in my life because you have to appreciate what you have, and be grateful for where you are. So you can be happy. Everyone has good and bad qualities but I am most thankful for my qualities then feeling guilty for my bad qualities.*

*I have many different qualities that I am grateful for and know I can also improve on. First, the qualities I am thankful for are my determination and my hardworking skills. These skills are important to me because it helps me achieve the goals I have to get the fulfilling life I want in the future. Also hard working shows me what I am truly capable of and will give me the motivation to keep trying. Secondly the qualities I'm thankful for are my generosity. This is a great quality to have because I am willing to offer time, energy and efforts to help others without expecting anything in return. Thirdly, I am empathetic. I am thankful for this because I can establish true connections with other people. Fourthly, I am thankful for my bravery. I'm thankful for this trait because it gives me the courage to take the opportunities that come my way.*

*In summary these are the qualities that I am the most thankful for. I am thankful for the traits that I have because they make me who I am now. I'm also grateful for my traits because Being thankful will lead you feeling happy and appreciative for the opportunities you do have.*
