I am grateful for my school, friends, and family. I love Thanksgiving because I get to show how much I am thankful for my friends and family. I am so thankful for my school because of its wonderful community. This school has wonderful teachers that support and help us. Mrs. Hynes has created a community with kind, funny and caring people. I would have never met my friends, if it was not for this school. I have been in OLGC since first grade and it was life changing, everyone was so welcoming, this school always has fun things to do. These are some of my reasons why I love OLGC.

I am thankful for my friends, because they have always been there for me. My friends are funny, caring, and kind. If I am upset they always put a smile on my face. Sometimes one the weekend we would hang out, go on walks or just see each other. This is why I am thankful for my friends.

I am thankful for my family, because they love me, they are there for me, and they are always on my side. They take me on vacations, they help me with my homework and they take care of me. They put a roof over our head and are very hardworking. If it weren't for my family, I wouldn't be here right now. This is why I am thankful for my family.
