

What are you thankful for

I am thankful for my mom and dad. I am thankful for my mom because she does everything with and for me. When I get home from school I always have a cooked meal and she helps me with my homework. I am thankful for my dad because he teaches me how to do everything. He teaches me all about sports and all about life and how to be a good person.

I am thankful for my grandpa and grandpa. I am thankful for them because every Sunday I go to their house and my grandma always makes meatballs and red sauce. Me and my grandpa sit on the couch and watch sports and TV shows.

I am thankful for my friends and coaches. I am thankful for my coaches because they teach me all about sports and how to be a good person. I am thankful for friends because they are always nice to me and it is very fun to hang out with them and do fun things,

These are all of the things i am thankful for.
