

### **I Am Thankful For My Mom & Dad**

I am thankful for many things in my life. I am thankful because I know that I have things in my life that some people do not. It is important to be thankful because it makes you think about what your life would be like if you didn't have those things.

I am thankful for my dad and mom because they are both nice to me. I am also thankful for my cat because he gives me cuddles all the time and for my dog. I'm thankful for him because he gives me cuddles all the time too.

My parents and my pets are part of my family and we all care for one another. I am thankful for my family because we all take care of each other, help each other, and love each other. This is what I am thankful for.
