

Why I am thankful on Thanksgiving.

By Elliot Frommert

I am thankful for my mom and dad because they have good jobs and can get enough money for our family to go on trips. We have traveled to Walt Disney World and Hershey, Pennsylvania this year! I am thankful for the food my Mom cooks for us. I could eat her BBQ pulled pork sandwich with her homemade buns any day for school. I am thankful for my brothers because they always cheer me up when I am in a bad mood. I am thankful for the toys that I have because without them I'd be bored all day. I am thankful for my pets because they always want to be played with so I'm never bored. I am thankful for all the things that my family has done for me.
