

# My Qualities

Write about two qualities you have that you are thankful for.

My name is Denis, Mehmedovic.

There are many qualities I have that make me who I am. I am thankful for these qualities because they represent me.

My first quality is that I am athletic because right after school I play football and sometimes soccer. Also my favorite special in school is P.E. well that is one of them.

My second quality is hard-working because I am always focused and math is my favorite. Also I always

get 5/5 or 3/3 and sometimes  
4/5

Being athletic is good for me  
because when I grow up I want  
to be a sportsman. It is also  
important to be hard-working  
because it is good for what  
I want to be when I grow up.  
Because I want to be an  
engineer.
