

Dear Lady Liberty

*Dear Lady Liberty,
I do quite love your promise
Of freedom, life and liberty,
That you present as I enter your premise.*

*Dear Lady Liberty,
How lovely you are,
Like our wonderful friend Ellis,
Who warms all our hearts.*

*I know you have gone
Through the hardest of times
From the age that was gilded
To the plague that didn't seem listless.*

*But needless to say
Your promise stayed true
With some bumps in the road
You persevered through.*

*Dear Lady Liberty,
Thank you.*
