Thanksgiving Day Celebration- Acrostic Poem

I think of Thanksgiving as a time to think about all of the things like family, friends and food we eat that I are thankful for. This showcase made me think of all the qualities about myself that I am thankful for.

I am.....

Thoughtful about other people

Helpful to my Mom

Affectionate with my family

Nice to all of my friends

Kind to the homeless

Smart in the decisions I make

Giving to the needy

Inclusive of all people

Very caring about the world

Interested in learning new things

Neat in my room

Grateful for all of the things I have

HAPPY THANKSGIVING!!!!!!!
