

Dear music

From the moment
I started listening to a they might be giants cd
Whenever I was in my moms car
I knew I had loved you

I listen to you whenever I can
You help me focus, inspire me, make me more confident
Most of all whenever I feel down you make me feel better
Help me escape
You have changed with me

I cannot imagine a life without you
In the future I will teach my kids about you
Hope they feel the same about you as i do

You taught me lessons
You don't know what is happening in people's life
Appreciate everything you don't know how much longer you can

Not only do you inspire me so do your artist
"If you have the opportunity to play this game called life,
You have to appreciate every moment.
A Lot of people don't appreciate their moment until it's passed"
-Kanye west, 2005
