## Thankfulness

There are many qualities that people have that I'm thankful for. I'm thankful for the quality of Integrity because being honest and having a good moral is important. Integrity is important because I have good friends and that is because I'm kind and honest. I use integrity every day, once I even got student of the month for respecting others and being honest. I am thankful for integrity because all my friends are kind and nice because of it. I have many friends and it is nice that everyone cares about each other. I am thankful for everything in my life.
