### *Thankfulness*

*There are many qualities that people have that I'm thankful for. Personally, I am thankful for my parents because if something bad happens to me, they are always there for me. I'm also thankful for my parents giving me a home to stay in and also thankful for my clothes, blankets, bed, food, and water. One thing that my parents were there for me was when I was 5 years old. I broke a leg. My dad got off work to see what happened to me. My dad and mom took me to the hospital to check what happened. They said that my leg was broken and then they put a cast on my leg. My parents hired a teacher to teach me at home..*
