

There are many qualities that people have that I'm thankful for like integrity, I think this because...

Integrity is what You stand for what You believe in.
It is being open and honest.
Responsible for all actions you take.
It's caring about others.
It sets you apart from others.

It defines you as a person.
I'm on all pages
I'm all ages
Profound in wisdom
The concept to depend on.

To artistic integrity
I make no claim
Rhyming eccentrically
Is more my game.
