

Thankfulness

There are many qualities
that people have that i'm
thankful for. The qualities
that I have that i'm thankful
for are that I am courageous.

I can stand up for myself,
I can take care of myself,
and most of all, I can make
sure that I am everything I
want to be and need to be.

I want to feel good about
myself and I need to feel
thankful that I was able
to have the life that I
was given.
