

Thankfulness

I am thankful for the smile that I make whenever someone tells me a joke

I am thankful for my ingenious ideas that come at the best times

I am thankful for my creativity that helps me with school and projects

These traits help me be me

I am thankful for my confidence that helps me get past tests

I am thankful for my humor that makes others smile

I am thankful for my curiosity that helps me ask questions and become a better student

These traits help me get past hard times

I am thankful for my enthusiasm for learning that helps me achieve my goals

I am thankful for my clever ideas that make me different from others

I am thankful for my organization that helps me do things on time

These traits help me be special
