There are many qualities that people have that i'm thankful for one quality that i have is compassion . I have been compassion a lot of time's mostly because i have been compassion with my friend for example my friend/Amara. She always says that she is bored so i wait for her to get out of school and then we hang out. I also have to be compassion with my friend/Oliver he always wait for me on wednesday so that we can go to our old school/P.S.290Q. These are times that i have been a compassion with my friends.
