

The qualities im thankful for are my brown eyes, my Persenality, my brown curly long hair. Im also thankful for the SKills ive learn in the past 6 years of gymnastics. I love that I am helpful to other people, and always kind and loving. Im also thankful that Im responsible and can pick up after myself. Also that I can do art like my dad I love that I can make friends. I also love that I have gotten better at math with my brother.
