

My Qualities I Love

By Ronan Swiatek

There are several things I love about myself. These qualities make me, ME! My qualities help me make friends.

One of the many things I love about myself is CREATIVITY! I love to make art so my creativity comes in handy a lot. I'm also creative in dance, I take Acro, Tap, and Lyrical. I play an instrument too, I play the string base. That takes a lot of creativity as well.

I love how I'm COURAGEOUS and FEARLESS also. I'm not afraid to try new things [most of the time]. When I'm afraid to try it, I'll do it when I'm ready.

So now you know how being creative, courageous, and fearless are all my best qualities that I am thankful for.
