

# Dear My Friends

I am ever so grateful,  
To have you in my life,  
You are like an angel,  
who guides me to the light,

You help me cope, and do what's right,  
I'm so thankful for your charming smiles,  
That's helped me through my darkest night,  
To get to you I would run for miles,

I would do all that I can,  
To show you just how thankful I am,  
To stick with you, that's my plan,  
I could never hate you, not even a gram,

I am ever so grateful,  
For all that you do,  
To this promise I am faithful,  
To return this kindness, back to you,

I truly love and care for you,  
And thankful is all I am  
we are an inseparable group  
My very own "fam"
