Thank you, Dixie

From the second I laid my eyes on you,
I knew we would have a great bond.
You with your beard,
And me with my smile.
I knew our relationship would be forever.

The minute I brought you home,
You started sniffing everywhere.
It was the best day of my life,
And it was the same for you.
You looked like a kid in a candy store.

As of right now, we have had an amazing time together.
I know we haven't had the best experiences together,
Especially when you got out, and ran away,
That one summer in the month of May.

I hope our bond gets even stronger through the years,
Just like when I had brought you home that one summer day.
So thank you Dixie,
For being there for me in the hard times.
