

Thank you, Baseball

Thank you, baseball
for opening my eyes
to the joy you could bring to me.

Thank you for helping me through tough times
To relieve me of what's going on in life
and what is going on around me.

The millions of times i've run out of a dugout
or played on a new field is mind boggling
And it's all for you. I've sacrifice time and energy
Almost every weekend for you.

I've came such a long way for you
From T-Ball all the way
up to travel baseball and hopefully college baseball.

Thank you so much Baseball for everything you have done for
me.
