

Thanksgiving Contest

By Michael Alfaro

What i'm most thankful for this thanksgiving is mother nature:

Information

Every image has a story behind it, ranging from "Wow, look at that sunset" to "Wow, life is truly amazing." Mother nature gives me the opportunity to express myself by capturing its beauty. That is why I am most grateful for it and the dreams it has helped me to realize.

Little about me

I'm a new photographer, i started shooting sports for my school team (Baldwin High School) but soon moved on to nature and its beauty. I want to continue to grow and grow deeper into photography. I'm a junior (16) and curious wanting to try now things out, i love what i'm doing and don't want to stop.
