

# Thankful

By Danashia P.

I am thankful for my mom if she wasn't here,  
I don't know what I would do with my life.

I'm very thankful for my aunt,  
she always makes me laugh like no one has before.

I'm thankful for Starr and her grandma,  
because they say I'm like a part of the family.

I'm thankful for my teacher,  
because she makes my brain work.
