

Qualities I am thankful for...

I have many qualities but the ones that I am thankful for are honesty, loyalty, respect, humor, being humble, and being trustworthy. I am thankful for them because they help me live a better life. I am thankful for my honesty because it gets me out of trouble. If I lie, then I would be in a lot of trouble, but if I am honest, the consequences won't be that bad. I am thankful for my quality of respect because with respect I can treat people how I want to be treated. I am thankful for my humor because when people are down, I can cheer them up and make them laugh. I am thankful for my trustworthiness because people can trust me when they tell me things and know that I will not tell anyone. Those are the qualities I am thankful for.
