

Qualities I am thankful for...

I am thankful for all of my qualities. One quality that I am thankful for is my determination. If I'm down 59 - 0 I'm going to think it's still 0-0. You can't just give up because you're down a couple points. I remember when I was in a match and I was up 5-3, one more point and I would win. Then the guy came back to make it 5-5. I was out of breath but I still continued and won 7-5. This shows you with determination you can do anything. I would never lose a match like 6-0.

Another quantity that I'm thankful for is my will to win. There is nothing that I wouldn't do to win. I would never lose a match like 6-0. If it's 0-5 then I still have a chance to win the match. I will always go above and beyond to win. I always have a winning mentality in my head, because if I don't I already lost the match. If I lose I have to think of what I did wrong and come back stronger to win.
