I am thankful that I'm...

I am thankful that I'm reliable. When my family needs me I'm there. I'm thankful that I'm thoughtful. When it's someone's birthday I make them something. I am thankful that I'm friendly. It's very simple for me to make friends. I am thankful that I'm trustworthy. My mom trusts me to take responsibility for my brother. I am thankful that I am prompt. I try my best to make it to school on time.
