

I Am Thankful Poem

I have a kind, empathetic, peaceful, humorous personality. I am thankful for it. I am sometimes emotional over some stuff, but I am still thankful about it. I am ambitious, and I am thankful for it. I am tidy, loyal, and adventurous. I am thankful for it. I am also independent. I am thankful for it. I am comforting, trustworthy, dependable, and courageous. I am thankful for it. I am respectful, and I am thankful for it. I may not be everybody's favorite, but I am thankful for who I am.
