## Things I am Thankful for

I am thankful for a lot of things, they make me smile more than a while. One of them is that I am loved and I am kind, I let my love shine. I am smart and I work hard not only in school but many other things, especially in baton.

I am grateful and joyful that I have a home and a family. On Thanksgiving we sit and feast, we shuff food in our mouth and we eat, eat, eat. Delicious.
