

What Qualities are you most Thankful for?

Everyones' got good qualities
Embrace them, let them shine!
They build your personality
Here are a few of mine:

I am grateful for my kindness
And surely for my loyalty;
I am grateful for my courage
and for my creativity.

All of these are qualities that I am thankful for.
You have plenty too, that you and others adore.
Be grateful for them every week.
Remember your's are what make you unique.
