

I am thankful for  
my body. by Tiwa

I am thankful for my  
eyes my favorite things, for  
all they see when I  
am reading. I am  
thankful for my ears my  
favorite things, for all  
they hear in the world

around me. I am thankful  
for my fingers my favorite  
things, for how well they play  
the piano. I am thankful  
for my body, my brain and  
my mind. I love them all  
just the way they are!
