

Thanksgiving Poem

Thanksgiving thanksgiving oh how I wished you came,

Now you have arrived at your destination,

Thanksgiving thanksgiving oh what a beautiful day has
came,

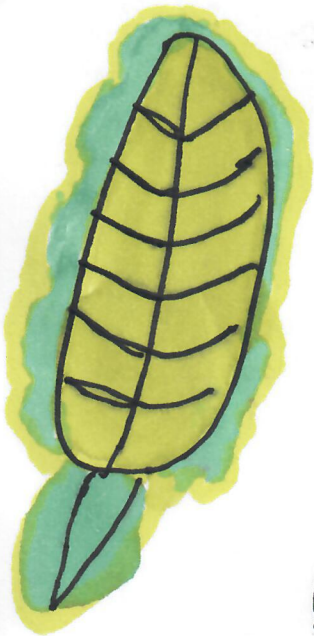

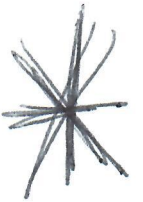

Now it's time to see the leaves form and play its role,

Thanksgiving thanksgiving oh where's the mouth-watering
turkey to be seen,

Now it's time to eat the delicious mashed potatoes
with peace,

Thanksgiving thanksgiving oh how I'm grateful for you and
all of the joy given me, Now it's time to celebrate this holiday and
enjoy it too,

It's the wonderful sign that makes all people pleased with
ease

Happy
Thank-
sgiving
