

What I Am Thankful For
By Jacob Kraft

Three things I am thankful for are the Buffalo Bills , the Buffalo Sabres and the Buffalo Bisons.

The first thing I am thankful for is the Buffalo Bills. They good team and they have Rex Ryan.

The second thing I am thankful for is the Buffalo Sabres. They have a great atmosphere at their games. They have a great new player named Jack Eichel. They support cancer by wearing pink.

The third thing I am thankful for is the Buffalo Bisons for giving baseballs away. They play in Buffalo and they are a good team.

These are the three things I am thankful for.
