### What I Am Thankful For

This Thanksgiving, I am thankful for my family and life because in my life I have people who care for me.

I am thankful for stores because they provide food for me to eat. I am thankful, for my clothes because if we didn't have God we would have no clothes to wear.

I am thankful for school because I will get the education I need for college. I am thankful to have a teacher named Mrs. Haughton because she cares about me.

I am thankful for my friends because when I'm lonely they play with me.
