

What I Am Thankful For

There are many things to be thankful for.
My parents and sisters and a whole lot more.
My grandparents, aunts, uncles, cousins and friends.
My thankful list just never ends.

I'm thankful for my teachers and school.
They help me learn all of the important rules.
My school is a place where I feel safe.
I really feel that it is a great place.

I'm thankful for God for creating me.
I love being part of my family.
He created the earth, sun, moon, stars and sea.
Without him we all could just not be.

So as you can see I'm grateful for all that has been given to me.
