

# Happy Thanksgiving

## THANKSGIVING

Did you know that on Thanksgiving I give thanks for all I have? At this time of year, I give thanks for my family because they are always there for me and they love me. I also give thanks for my food and clothes. The food my parents make me is always delicious and the clothes my parents buy me are magnificent! I also give thanks for going to school, learning ,and for my teachers and my friends. On Thanksgiving I give thanks for many things!
