"Teaching Minds, Touching Hearts, Transforming Lives"

October 2015

"What are you thankful for?"

Essay by Anabelle Kessler

Submitted by Mrs. Monroe's 5th Grade Computer Class

This year was quite a great year because I went to a new school, I made new friends and I have super fun and nice teachers and silly and fun parents.

I am also thankful for our Senator Panepinto; for allowing us to participate in this Thanksgiving Day essay.
