What am I Thankful For?

October was super fun

But we know it won't last all year

But thankfully November showed up

So give thanks and cheer

November is a time to be thankful for what you have

You should not be greedy

There are many people in the world who don't have what we have

So make a difference and give to the needy

I am surely thankful for everything I have

Like my family friends and pets

They all mean the world to me

These are some of the most wonderful people I have met

I am also thankful for my life

I am glad I came into this life as happily as can be

In good condition

And very healthy

I am thankful for getting good education

From all my wonderful and awesome teachers

And now look at me, I am successful as can be

With intelligent and smart features

I am also thankful for having food, clothes, and a shelter

All these things help a lot for my daily life

Compared to the people who don't have these things

There are a lot of things I have got

Skirts, shirts and pants

Books. Pencils and pens

I also have a glorious and wonderful life

I want to thank God and say Amen

Just remember to not be selfish

Share what you have and make a difference

Don't forget to be thankful for every single thing you have

You can also help others no matter the distance

It doesn't matter if they're across the world

Or if they're different than you

You should be lucky and thankful for all you have

So Happy Thanksgiving to all of you
