What am I thankful for this Thanksgiving? Well I'm thankful for a lot of things. I'm thankful for mom, dad, grandma, grandpa, my school and much more things and people.

First of all, I'm thankful for my mom and dad. They provide me with food, shelter, clothing and many other things. They will do anything to make me a better student or even a better person. Mom and dad also study with me to ensure I do my best at school or anything I do. My parent's guide me through life and they pick me back up when I'm feeling down. These two people would give up and do anything for me, so at the end of the day, I'm mostly thankful for my mom and dad.

Second of all, I'm thankful for my amazing grandparents. One reason why I'm also thankful for my grandparents is because they came across the world just to babysit and take care of me. My grandma always cooks for me. My grandpa always gives me lots of "Special Privileges." One other reason why I am thankful for my grandparents is because they are also encouraging me to do my best in everything I do. This is why I will be thanking them this year.

Third of all, I am thankful to an amazing school which goes by the name of Lavelle Prep Charter School. Lavelle has done a lot for me and all my grades. The teachers at Lavelle have done a lot to help me with all of my grades. These people have seen everything that I am having trouble with, and have helped me achieve my goal of getting better grades. Every teacher has also been so loving and also caring. This is why I will be thanking Lavelle Prep this year.

In conclusion, these are all the people and things I will be thanking this year for being so wonderful. These people and things have been very close to me this past year. These are the reasons why I will be thanking them this past year.
