What am I Thankful For

While thinking about this question I realized there are so many things I'm thankful for. I am thankful for my family. I am thankful for my family because they are always there to support me no matter what happens. I am also thankful for the life I have because I have parents are able to provide for my brother and me. I am lucky and thankful to have grandparents and great grandparents to share great memories with. One of them is the incredible and amazing age of 106, must be due to the Italian mountain air. We should be thankful for what we have and the people in our lives not only on Thanksgiving but everyday.
