What I am thankful for!

I am thankful for air  
And my family that cares!

I am thankful that I can jog with my dog  
I am thankful for food and that I am always in a good mood!

I am thankful for my house  
That doesn't have a mouse!

I am thankful that I can always depend on my best friend!

I am thankful that I can go to school  
and that my brothers are so cool!

I am thankful for the animals and the birds that fly in the air  
But most of all I am thankful for my parents that always care!
