

Thanksgiving Contest

By: Dylan Forman

I'm lucky to have my parents
Their the ones I'll never trade
Whenever I'm with them
The memories never fade

I'm lucky to have my sister
I love her just so much
Even though we fight
We always make up

I'm lucky to have baseball
I love to steal a base
It's better than any sport
Even a running race

I'm lucky to have school
I like learning a lot of things
But I'm happy to leave
When the bell rings

I'm lucky to have my friends
I like to hangout with them
It's just so fun
I want the moments to never end

I'm lucky to have music
I like to play the bass
I know I just started
But I feel like It's going to take me a long way
